QUESTIONS VALIDITY

Halsey on Trial for Bribery Wants Supreme Court Decision.

CITY JUDGE COOK'S RULING

Other Men on Trial in the San Francisco Graft Ring Are Following Halsey's Example and Filing Petitions for Writ of Prohibition.

SAN FRANCISCO, August 2.—The question of the validity of the many score of indictments returned recently by the Oliver Grand Jury has at last been submitted to the Supreme Court of California. Theodore V. Halsey, the "Outside man" of the Pacific States Telephone Company, now on trial on a charge of bribing Supervisor Loney, filed a petition yesterday with the Supreme Court, appealing to that body for a writ of prohibition restraining the superior court and Judge Frank Dunne from trying his case.

A similar application for a writ of prohibition against Judge Carroll Cook was filed on behalf of the six carmen indicted June 26 by the grand jury on charges of felony alleged to have been committed in a streetcar riot. This decision will apply to all six cases.

The attorneys for the indicted officials of the United Railroads also appeared in the chambers of the Supreme Court yesterday after the filing of the Halsey petition, and announced their intention of filing similar briefs.

The petitioners in praying for the writ rely largely upon the opinion given recently by Judge Cook on a motion to quash the indictments in the cases of strike rioters. In his opinion Judge Cook held that the acts of the grand jury since the new grand jury panel was drawn in February last was null and void. Judge Cook refused at the same time to set aside the indictments, suggesting that the whole question be passed up to the Supreme Court. This question is now before that body and the indicted ones do not desire their trials to proceed until a decision is rendered.

Men Past Sixty in Danger.

More than half of mankind over 60 years of age suffer from kidney and disorders, usually enlargement of prostate glands. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rockport, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for 20 years, although I am now 91 years old." T. F. Laurin, Owl Drug Store.

ARGENTINE REVOLUTION.

RIO DE JANEIRO, August 2.—A new revolution has broken out in one of the Argentine provinces bordering on Brazil. The troops have been sent to the frontier by Brazil to prevent violations of neutrality.

Endorsed by the County.

"The most popular remedy in Osego county, and the best friend of my family," writes Wm. M. Dietz, editor and publisher of the Osego Journal, Gilbertsville, N. Y., "is Dr. King's New Discovery. It has proved to be an infallible cure for coughs and colds, making short work of the worst of them. We always keep a bottle in the house. I believe it to be the most valuable prescription known for Lung and Throat diseases." Guaranteed to never disappoint the taker, by Charles Rogers' drug store. Price 50c and \$1.00. Trial bottle free.

ROCKEFELLER STEALS AWAY.

CHICAGO, August 2.—According to the Record-Herald John D. Rockefeller left Cleveland at 11:30 last night for Chicago, but efforts made in the Ohio City to ascertain the purpose of his trip failed.

Tomorrow is the time set by Judge K. M. Landis of the United States District Court for passing sentence on the Standard Oil Company of Indiana, convicted of accepting rebates on oil shipments.

Ten Years in Bed.

"For 10 years I was confined to my bed with disease of my kidneys," writes R. A. Gray, J. P. of Oakville, Ind. "It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a God-send to me."
